Footnotes

- a Without prejudice to specific certification requirements provided for by any relevant agreement between the United Kingdom and third countries.
- b Exclusively for live animals other than animals belonging to the cervidae species.
- c For certification purposes, this territory is considered to have been free of FMD for more than 24 months.
- d For certification purposes, this territory is considered to have been free of FMD from 14/05/2025.
- e For certification purposes, this territory is considered to have been free of FMD from 10/09/2025.

Specific Conditions

- II Territory recognised as having an official tuberculosis-free status for the purposes of exports to Great Britain of live animals certified according to the model of certificate BOV-X.
- III Territory recognised as having an official brucellosis-free status for the purposes of exports to Great Britain of live animals certified according to the model of certificate BOV-X.
- IVa Territory recognised as having an official enzootic-bovine-leukosis (EBL) free status for the purposes of exports to Great Britain of live animals certified according to the model of certificate BOV-X.
- IVb Recognised as having officially enzootic-bovine-leukosis (EBL)-free herds equivalent to the requirements set out in Annex D to Directive 64/432/EEC for the purposes of exports to Great Britain of live animals certified according to the model of certificate BOV-X.
- V Territory recognised as having an official brucellosis-free status for the purposes of exports to Great Britain of live animals certified according to the model of certificate OVI-X.
- VII Territory recognised as having an official tuberculosis-free status for the purposes of exports to Great Britain of live animals certified according to the model of certificate RUM.
- VIII Territory recognised as having an official brucellosis-free status for the purposes of exports to Great Britain of live animals certified according to the model of certificate RUM.
- IX Territory recognised as having an official Aujeszky's disease-free status for the purposes of exports to Great Britain of live animals certified according to the model of certificate POR-X.
- XI Holdings or compartments recognised as applying controlled housing conditions in accordance with Article 8 of EUR 2015/1375.
- XII Territory recognised as having officially tuberculosis-free bovine herds equivalent to those recognised based on the conditions laid down in paragraphs 1 and 2 of Annex A.I to Directive 64/432/EEC, for the purposes of exports to Great Britain of live animals certified according to the model of veterinary certificate BOV-X or BOV-Y.
- XIII Territory recognised as having an official bluetongue and epizootic haemorrhagic disease seasonally free status, for the purpose of exports to Great Britain of live animals certified according to the model of veterinary certificate BOV-X, OVI-X, OVI-Y or RUM.

Supplementary Guarantees

- A Guarantees regarding Bluetongue and Epizootic-haemorrhagic-disease tests on animals certified according to the model of veterinary certificates:
- GBHC620 [BOV-X]: reference AH/T117, points (d)(ii) or (iii) and (e)(ii)
 - GBHC621 [BOV-Y]: reference AH/T117, points (d)(ii) or (iii) and (e)(ii)
 - GBHC630 [OVI-X]: reference AH/T121, points (d)(ii) or (iii) and (e)(ii)
 - GBHC631 [OVI-Y]: reference AH/T122, point d(ii)
 - GBHC710 [RUM]: reference AH/T127, point (c)(ii) or (d)(ii).
- B Guarantees regarding Swine-vesicular-disease and Classical-swine-fever tests on animals certified according to the model of veterinary certificates:
- GBHC680 [POR-X]: reference AH/A714
 - GBHC711 [SUI]: reference AH/714.
- C Guarantees regarding Brucellosis test on animals certified according to the model of veterinary certificates:
- GBHC680 [POR-X]: reference AH/A255
- GBHC711 [SUI]: reference AH/A403.□
- D Guarantees regarding vesicular stomatitis test on animals certified according to the model of veterinary certificate GBHC680 [POR-X]: reference AH/T129A.
- E Guarantees regarding African Swine Fever controls in accordance with EUDN 2014/709:
- GBHC680 [POR-X]: reference AH/T129A, point (a)(iii)
 - GBHC681 [POR- Y]: reference AH/T129B, point (a)(iii)

Veterinary Certificates

BOV-X	Model of veterinary certificate for domestic bovine animals (including Bubalus and Bison species and their cross-breeds) intended for breeding and/or production after importation.
BOV-Y	Model of veterinary certificate for domestic bovine animals (including Bubalus and Bison species and their cross-breeds) intended for immediate slaughter after importation.
OVI-X	Model of veterinary certificate for domestic ovine animals (Ovis aries) and domestic caprine animals (Capra hircus) intended for breeding and/or production after importation.
OVI-Y	Model of veterinary certificate for domestic ovine animals (Ovis aries) and domestic caprine animals (Capra hircus) intended for immediate slaughter after importation.
POR-X	Model of veterinary certificate for domestic porcine animals (Sus scrofa) intended for breeding and/or production after importation or intended for transit through Great Britain from one third country to another third country.
POR-Y	Model of veterinary certificate for domestic porcine animals (Sus scrofa) intended for immediate slaughter after importation.
RUM	Model of veterinary certificate for animals of the order Artiodactyla (excluding bovine animals (including Bubalus and Bison species and their cross-breeds), Ovis aries, Capra hircus, Suidae and Tayassuidae), and of the families Rhinocerotidae and Elephantidae.
SUI	Model of veterinary certificate for non-domestic Suidae, Tayassuidae and Tapiridae.
